MCIVER FURMAN LEGACY SOCIETY

Dr. McIver Furman holds a place of great honor in the history of our Council as its very first Eagle Scout, awarded in 1920. In tribute to his enduring legacy, the McIver Furman Legacy Society will become a perpetual community of committed donors who share a vision for the future of Scouting in South Texas.

This Society is composed of individuals who pledge \$15,000 or more—payable over a period of up to three years—to support the ongoing operations of the Council. Their generosity ensures that the life-changing impact of Scouting continues for generations to come. Members of the Legacy Society will be recognized at all Council events throughout the year.

THE VISION for the McIver Furman Legacy Society Campaign

The McIver Furman Legacy Society exists to make a transformational impact on the youth of South Texas. Its mission is simple but profound: to secure the future of Scouting by providing the resources necessary to reach, guide, and inspire young people across our communities. Scouting works. And now, more than ever, **youth need Scouting—and Scouting needs you.**

THE EVIDENCE Scouting Develops Character

Does Scouting make a difference?

A comprehensive three-year study by Tufts University followed nearly 1,800 Cub Scouts and 400 non-Scouts under age 12 to examine character development in real time.

At the beginning, there were no significant differences between the two groups. But by the end of the study, the results were unmistakable. Scouts showed measurable growth in:

- Cheerfulness
- Helpfulness
- Obedience
- Kindness
- Hopefulness
- Trustworthiness

These are the building blocks of strong character—and Scouting delivers them.
