

MID-YEAR IMPACT REPORT

2025

**Scouting
America™**

South Texas Council

THANK YOU!

**MARTY
SEPULVEDA**
CEO

Dear Friends,

As we move through the summer of 2025, I'm proud to share the energy and progress fueling the South Texas Council, Scouting America. Thanks to the dedication of our Scouts, leaders, families, and supporters like you, this year is already one to remember.

We began the year by honoring outstanding volunteers and partners at our annual awards reception at Del Mar College. In February, Scouts returned to Del Mar for a hands-on merit badge day led by faculty, exploring everything from welding and woodworking to movie making and fire safety.

March brought the celebration of our newest Eagle Scouts — impressive young leaders who gave nearly 10,000 hours back to their communities. In April, Scouts took part in our first-ever "Bike Rodeo" with the Coastal Bend Food Bank, toured both the Corpus Christi and Kingsville Naval Air Stations, and partnered with The Purple Door for a public event supporting women's safety.

Summer has been packed with adventure — from resident Summer Camp, to Cub Scout family campouts and weekend mini camps at Camps Karankawa and Huisache. Scouts are building confidence, leadership, and lasting friendships.

Looking ahead, we are excited to welcome hundreds of Scouts from Texas and Mexico to Camp Karankawa in September for our International Camporee — a weekend of fellowship and cross-cultural fun that truly embodies the spirit of Scouting.

Your support makes it all possible. Together, we're building stronger youth and a stronger South Texas — one Scout at a time.
