Scouting Forward

A New Year of Growth and Celebration in Scouting The beginning of a new year brings excitement and opportunity for change. As Scouting prepares to celebrate 116 years of service next month, the core values found in the Scout Oath and Law remain our cornerstone. Now more than ever, these values must be the driving force behind Scouting's growth across our communities.

2026 needs to be the year Scouting grows in South Texas. We are beyond the fog of the pandemic and the light of the new moon, and the timeless sun should guide us toward a year filled with adventure and success. Together, let's continue working to provide the very best Scouting program for the youth and families we serve.

On January 31, we will gather for the annual Council Volunteer Awards Ceremony and Reception to recognize the countless hours of service so many of you give to Scouting every day. Please make plans to attend and help us celebrate our fellow Scouters, especially our Silver Beaver Award honorees.

I look forward to seeing you at the awards ceremony as we kick off a strong and inspiring year for Scouting. May the Great Scoutmaster of all times be with us until we meet again!

EAGLE SCOUT ASSOCIATION

Once an Eagle Scout, Always an Eagle Scout

Eagle Scout Association

The South Texas Council (STC) Eagle Scout Association (ESA) is a local affiliate group of the National Eagle Scout Association. The STC ESA serves as the National Eagle Scout Association(NESA) connection, though one need not be a member of NESA to be a member of the Council ESA. Councils are where the heart of the Alumni Program is located. The purposes of STC ESA are to:

- To support the council's mission and vision

January 17 - Introduction to Leadership Skills for Troops (ILST)

Leadership is a vital part of the Scouting program. Youth in positions of leadership run the troop. They take care of the many tasks necessary for troop and patrol meetings and activities to run smoothly. By accepting the responsibilities of troop leadership, Scouts are preparing themselves to be leaders throughout their lives. Completion of ILST is a prerequisite for Scouts to participate in the more advanced leadership courses, National Youth Leadership Training (NYLT).

Commissioner's Corner

Commissioners are veteran volunteer Scouters who support unit leaders. They help leaders of new units get off to a good start and strengthen existing units by identifying training and other resources they need, establishing a solid organizational and financial foundation to build unit strength.

They do that by helping unit leaders:

- Deliver a great, safe program (it's that program that attracts and retains youth and adult volunteers)
- Build sustainability (ensure the unit has sufficient resources – funds, equipment, space, volunteers, etc.) to continue serving youth
- Promote the unit in the community it serves.

So, get to know your Unit and District Commissioner. Invite them to your pack, troop, and committee meetings. If you do not have a Unit Commissioner in your area, please contact your District Commissioner or Council Commissioner; we will be happy to come by for a visit and collaborate on resources available to your unit. Here is my cell 903-941-4207 (Mike Ledbetter) for you to call me personally anytime.
